

# FUNDRAISING IDEAS

Thank you for wanting to support us during these strange times. Below are just a few fun ideas...

- **Aerobics class** - Set up an online aerobics class and get friends and family to pay a donation to join.
- **Afternoon tea** - Catch up with friends and family and compare your baking skills!
- **Arts fair** - Show off your artistic side and compare techniques. You could even throw a paint-along party: there are lots of free painting videos on YouTube.
- **Birthday** - Donate your birthday! Ask your friends and family to donate to EDT instead of giving you presents.
- **Games night** - Host a virtual evening of games and challenges: there are lots of sites where you can play with friends online. Add a bit of extra fundraising into the night by giving penalty fines for silly answers.
- **Give something up** - Can't live without chocolate or fizzy drinks? Why not donate the money you save from giving up your habit and get sponsored by friends and family for your efforts.
- **Quiz night** - For an evening of relaxed entertainment, ask for an entry fee and find your quiz questions online, or get everyone to make up their own round!
- **Variety show** - A fun way of raising money and discovering talents you never knew your friends, colleagues and neighbours had.
- **Indoor hike/marathon** - Climb Everest from your staircase, cycle around the world on your exercise bike or run a marathon around your living room.
- **Indoor Camping** - Bring the great outdoors indoors by building a den in your living room: can you make it through the night without missing your mattress?
- **Scavenger Hunt** - Put together a list of common (and not so common) household items- which of your friends can find them first?
- **Learn-a-thon** - Challenge yourself and your friends to learn a new fact or skill every day: who can learn the most?

There are a variety of ways you can keep in touch with loved ones whilst staying busy and raising some money for a great cause! Video conferencing sites like Zoom and Skype can be used to see and chat to multiple people at the same time: great for at-home fundraising events!
