

EDT Privacy Policy: Virtual Routes into STEM course

At EDT, we are committed to protecting your personal information when you work with us, and whenever you provide such information we are legally obliged to use your information in line with all applicable laws concerning the protection of personal data, including the General Data Protection Regulation (GDPR).

To take part in the EDT's online programme for Routes into STEM we require data to be collected and processed as part of signing up to the programme.

For the purpose of this programme, we also work with partner organisations including College, University and Company Partners and Tata Consultancy Services (ION Platform)

You can view EDT's privacy notice here: <https://www.etrust.org.uk/privacy-notice>

The data collected for the purpose of communication, programme delivery and monitoring and evaluation includes:

- Full name
- Date of birth
- Home postcode
- School or college name
- Gender
- Email address
- Parent's full name
- Parent's email address

By your son/daughter/ward participating in this on-line course you are agreeing to allow EDT and our university and industry partners to keep in touch with them regarding future opportunities that may interest them. You can remove your consent at any time by emailing routesintostem@etrust.org.uk and providing the student's full name and date of birth.
