

INDUSTRIAL CADETS BRONZE PROJECT

We are EDT!

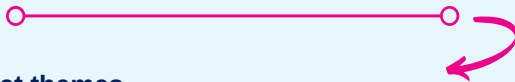

The UK's largest STEM education charity.

Our aim is connecting young people with industries and inspiring STEM futures, with hands-on learning experience, supported by role models from some of the most exciting science and tech companies, global brands and innovative tech start-ups.

What is the project about?

- A team of 4-6 Year 8 and 9 students
- Completing an exciting STEM project over 12 week (20+ hours)
- Support from a real STEM Professional as your industry mentor
- Develop key skills for learning, life and work
- Helping to inform future subject and career choices.
